The Arki series by Danish designer Bønnelycke MDD is characterised by its beautiful dome-like shade and minimalist, clean lines inspired by the classic architect lamp. Arki beautifully balances simplicity with sophistication while emitting the perfect light for your entrance, driveway, terrace or other outdoor space.

This product is part of our "Designed For Seaside" range, crafted from extra durable materials to withstand even the harshest coastal weather conditions.

Over time, exposure to the elements causes the galvanised steel to develop a beautiful, darker patina.
