• Glamorous modern style • Decorative brass canopy
• Provides a soft, diffused light • Matte white opal mouth blown glass

Grant balances simplicity and elegance in the best way imaginable, where all the unnecessary decorations are removed, allowing the shape and materials to stand out. The beautiful luminous spherical glass dome is enclosed by its frame, creating a complete and decorative whole.

Grant pendant contributes to one of today's major design trends with the use of brass and white opal glass. An elegant detail is the canopy in brass, which creates a complete whole between the top of the pendant and the canopy. Grant is beautiful both individually and in clusters and can be combined with the other pendant sizes in the series.
