• Glamorous modern style • Matte white opal mouth blown glass
• Provides a soft, diffused light

Grant balances simplicity and elegance in the best way imaginable. The extremely beautiful luminous glass dome is enclosed within its frame, creating a complete and decorative whole. At the same time, Grant contributes to one of today's design trends with the use of brass and opal-white glass.

The glass in this lamp is mouth-blown and has been individually hand crafted. Due to this unique process, air bubbles may appear in the glass and the thickness of the glass can also vary. This gives the glass its character and vivid appearance.
