• Contemporary and simple style • Beautiful brass decoration tube
• Spreads the light upwards too through the small holes in the top of the shade

Julian is a minimalist series in a modern design. With the combination of the matte surface and the elegant top in brushed brass, the series takes on an air of exclusivity. The warm light spreads both upwards and downwards through the small holes in the top of the screen, creating a beautiful effect in the light as it spreads out into the room, giving Julian its unique character.
