Pura Build-on 150, White

https://purati.com/product/purabuild-on150/

DESCRIPTION

Wide beam angle surface mounted downlight thanks to equipped with Opal diffuser
This build-on downlight combines a sleek design with an opal diffuser for even light distribution that is perfectly suited for any space, while its simple shape with refined details enriches each interior just by its presence. This luminaire comes in three different colours, two different water resistances and it can be installed using two mounting options choose from surface mounted and suspended.
npk design, the Netherlands
